

PARIS

Introducing the PARIS full-length LED mirror, a sleek and modern addition to your interior. This mirror provides a flawless reflection and customizable lighting options. With a color temperature change function, you can switch between warm white light (2700K) for a cozy atmosphere and cold white light (up to 6500K) for clear and precise visualization when selecting outfits or applying makeup.

The PARIS mirror features uniform LED backlighting, softly illuminating the surrounding space without casting harsh shadows. The energy-efficient and long-lasting LEDs make this mirror a stylish decorative piece as well as a practical everyday solution.

Its elegant full-length design makes it perfect for bedrooms, dressing rooms, or hallways, adding both style and functionality to any space.
